## ABOUT US

[Our Story, Mission & Values](#)

Ultimate Protection Security Limited was founded on a commitment to excellence and has grown into a respected name in the UK security industry. Over the years we have built lasting relationships with clients across the commercial, retail, hospitality, and events sectors by consistently delivering professional, proactive, and reliable security solutions.

Our service is built on three core foundations:

- **Experience** — Over a decade of real-world security operations across diverse environments.
- **Professionalism** — Every operative is SIA-licensed, uniformed, and trained to the highest standards.
- **Reliability** — We show up, every time. Our clients trust us because we always deliver.

## OUR SERVICES

[Specialist Security Solutions Tailored to Your Needs](#)

## 01 | MANNED GUARDING

Our manned guarding service provides a visible, professional security presence at your premises. Whether protecting a retail outlet, office building, warehouse, or construction site, our operatives deter criminal activity while ensuring the safety of your staff, visitors, and assets at all times.

- Static and mobile guarding options available
- Fully SIA Security Guard licensed operatives
- Uniformed, professionally presented officers
- Regular patrols, access control and incident reporting
- Security solutions tailored to your specific risk profile

## 02 | EVENT SECURITY

From intimate private functions to large-scale public events, our experienced event security teams ensure your occasion runs safely and smoothly. We work closely with organisers to plan and execute comprehensive security strategies that protect attendees, performers, staff, and the venue itself.

- Crowd management and access control
- Search procedures and perimeter security
- VIP escort and close protection support
- Pre-event risk assessment and full team briefing
- Close liaison with police and event management teams

## 03 | DOOR SECURITY

Our door supervision teams are the first and last line of defence for licensed venues. Experienced, SIA-licensed, and trained in conflict management, our door supervisors maintain a safe and welcoming environment while enforcing venue policies and ensuring full compliance with licensing conditions.

- SIA-licensed Door Supervisors with extensive experience
- ID verification, age checks and dress code enforcement
- Conflict de-escalation and resolution expertise
- Ejection and exclusion procedures handled professionally
- Full compliance with venue licensing requirements

## WHY CHOOSE US

The Ultimate Protection Advantage

<b>Years of Proven Experience</b>	Over a decade operating in the security industry means we understand the challenges our clients face — and exactly how to address them effectively.
<b>Fully Licensed &amp; Vetted</b>	Every team member holds a current SIA licence and has undergone thorough background checks, ensuring only the most trustworthy professionals represent us.
<b>Flexible &amp; Scalable</b>	Whether you need one officer for an evening or a full team for an ongoing contract, we scale our services to meet your exact requirements and budget.
<b>Client-Focused Approach</b>	We take time to understand your business, venue, or event before recommending a security solution — because no two clients are the same.
<b>Rapid Response &amp; Reliability</b>	Our operatives are punctual, professional, and prepared. We pride ourselves on never letting a client down, regardless of the situation.

*"Our commitment is simple — to provide the highest standard of security so our clients can operate with complete confidence and peace of mind."*
